**Department for Environmental Protection
Division of Waste Management
2005 County Annual Report Summary**

JEFFERSON
Continued

SW Coordinator Bob Schindler

Full-time

COLLECTION: Department website provides extensive listing of services available both public and private. Departmental service brochures are distributed at public meetings, etc.

DISPOSAL: Department website identifies disposal options available to residents. The Department, in cooperation with Waste Management of Kentucky, provide a free junk drop-off day at the landfill in the spring and fall for residents, particularly for those residents that do not have curbside junk collection options.

RECYCLING/REDUCTION: Brightside offers an environmental curriculum for Primary grade 4 students that includes recycling.

Department does a twice yearly promotional/educational mailing to all urban service district residents on the curbside recycling program.

Department promotes waste reduction through "Green inc." Business Waste Reduction Program.

Three additional recycling drop-off locations were opened in 2005.

Department has a comprehensive brochure that explains curbside, drop-off and subscription recycling services available to businesses and residents and the identical information is posted on the Departments web site.

Conducted a telephone book recycling campaign in spring and fall to coincide with distribution of White Pages and Yellow Pages directories.

Participated in the US Conference of Mayors "Cans for Cash" program and won an award for most innovative promotional campaign.

Started recycling at four Kentucky Derby Festival events as well as collected recyclables from the cleanup at Churchill Downs after the Kentucky Derby.

Held a mercury collection program in conjunction with the Ky. Div. Of Waste Management and Ky. Dept. of Health Services.

Held a collection for safe collection and disposal of outdated prescription drugs in conjunction with the Louisville Metro Police, Services to the Elderly Program.

Began a cardboard recycling program for all downtown Metro Government buildings with a central collection site for Facilities Services usage.

In conjunction with the Metro Air Pollution control District, the Department operates drop-off locations for old lawnmowers. The Air District provides a rebate for purchase of a new electric mower. The old mowers are recycled.

The Department sponsored a free residential document shredding drop-off in conjunction with the Shred-It company. The shredded documents were recycled.

The Department sponsored a promotion for America Recycles Day at the five attended drop-off recycling centers. A travel mug was offered as an inducement to bring new participants to the drop-off recycling program.

ANTI-LITTERING: Brightside coordinated 42 "Litter Free" events, and 251 Neighborhood/Group cleanup activities.

Brightside sponsored anti-litter public service announcements and paid for spots discussing litter reduction on cable, broadcast TV and Radio.

The Department, in conjunction with Brightside, initiated a program where supervisory personnel will report litterers. In conjunction with the Jefferson County Clerk's Office, the litterer is sent a letter detailing the incident and the penalties if that act had been observed by a police officer.

ANTI-DUMPING: The Department operates a surveillance camera program for both dumping and littering enforcement. The cameras are designed to catch litterers and dumpers and aid in prosecution and prevention.

ENFORCEMENT: Enforcement officers distribute brochures detailing disposal, collection and recycling rules and regulations as well as service options.

SITING: None reported.

Educational Activity:

COLLECTION: Apple Valley Sanitation prepared a slide presentation to present to elementary students, in cooperation with the Solid Waste Coordinator, that relates to various areas of solid waste. Tours of Apple Valley Sanitation are available upon request to any class or school group. The Solid Waste Coordinator published newspaper articles in cooperation with "The Paintsville Herald" relating to solid waste management. Public service announcements by WSIP (local radio) offer information about solid waste collection. The Solid Waste Coordinator contacted each elementary school in Johnson County and established an agreement to be available for classroom presentations.

DISPOSAL: Presentations offered to school children discuss various solid waste issues including disposal. Newspaper articles, public service announcements, and school presentations offer information on solid waste disposal.

RECYCLING/REDUCTION: School presentations, newspaper articles, public service announcements, and school presentations offer information on recycling and reduction.

ANTI-LITTERING: The Solid Waste Coordinator has prepared a window display with solid waste literature and automobile litter bags available to the public upon request. Newspaper articles and radio announcements also address the problem of littering.

ANTI-DUMPING: The Johnson County Fiscal Court purchased signs that state "No Dumping-Video Camera Enforced" to be placed at illegal dumps to warn the residents of Johnson County that they may be monitored. Anti-dumping is promoted in newspaper articles on the radio.

ENFORCEMENT: Newspaper articles, school visits, and public service announcements offer information on the enforcement of solid waste ordinances.

SITING: None reported.
